

Bus Times

The complete guide to bus times across Cornwall

From 29th October 2023

Welcome

This all-Cornwall public transport guide contains full bus timetables on all mainstream services operating within the county. This timetable book has been put together by Cornwall Council, Go Cornwall Bus and Cornwall by Kernow to help you find your way around Cornwall by public transport. Many of the bus services shown in this book only operate due to financial support from Cornwall Council showing the commitment of the county council to meeting public transport needs. We're working together to deliver a transport network that's simple to use, great quality and even better value for money which will help enable you to have more and more green journeys.

We have moved to having only one timetable book which covers the whole of Cornwall this needs to be A4 size to hold all the information you may require to use public transport in Cornwall*. Moving to one booklet is just one small step to becoming more sustainable which is very important to us. We hope to continue with this by introducing an app and website by 2024 so that up to date information for the whole network is ready at a push of a button.

We've worked hard as a partnership to improve things for our customers over the last 18 months; we've introduced interoperability which allows you to use your tickets on any bus on any route, we've launched some exciting new products, increased the age range for tickets for young people and much more.

We have big plans to continue working together to enhance your experience and look forward to sharing them with you soon.

*All timetables are valid for the life of this booklet. However sometimes services have to be changed at short notice e.g to match school times and the law allows bus services to be introduced varied or withdrawn at 70 days notice. While every effort has been made to ensure the timetable information is correct at the time of going to press neither the county council nor the operators can accept liability for inaccuracies or subsequent inaccuracies or changes to routes or times. Any complaints about services or suggestions for changes should be sent to the operators.
